

All about Maples Day Nursery

Children from 6 weeks to 5 years
Open 52 weeks a year (excluding bank holidays and inset days)

Our Nursery

The importance of outdoor play is something we promote at Maples Day Nursery. All children have daily access to our large garden as we fully recognise the positive impact that being outdoors has on a child's social, emotional and physical development.

Budding explorers will enjoy playing in our tepee and conquering faraway lands in our fort. The fun and learning does not stop in the garden; we have a full programme of age appropriate activities designed in line with EYFS principles and implemented by our highly trained and knowledgeable staff.

There is something inspiring happening all day and every day at Maples Day Nursery.

Parents Say

"My son has settled well into nursery. The staff in his room are very attentive and take great care of him. The activities they involve him in are well planned and encouraged him to achieve. He has begun speaking more since nursery and also singing many songs that he has learnt at nursery. He really enjoys it there and is always excited to go."

More parent reviews can be found at www.daynurseries.co.uk

Healthy Building Blocks

The Importance of Outdoor Play

Daily access to our age appropriate outdoor space is a fundamental part of the routine across all age groups. Children gain an understanding of the natural world around them and develop physical, imaginative and social skills.

Nutrition Matters

Our nursery has a dedicated on-site Chef who prepares the children's meals. Using fresh produce, locally sourced where possible, our menu provides a tempting variety of dishes. We cater for our youngest children's weaning needs through to those on full diets and cater for dietary requirements. The importance of healthy eating is a core principle of our nursery and we work alongside nutritionists to develop our balanced menu.

Example menus can be found online at www.childbasepartnership.com/our-menus

Development and Learning

Learning Through Play

Our rooms and gardens are resourced to provide opportunities for every child to grow and develop. Each child's learning experience with us is unique and our highly trained staff are there to nurture and support your child. Bespoke planning incorporates your child's interests and supports their development across the 3 prime and 4 specific areas of learning. Activities are both age and stage appropriate and follow the EYFS principles.

Weekly activities can include cooking, art, ICT, messy play and music as well as literacy and numeracy.

From those first steps to supporting your child's transition to school, we work in partnership with you throughout your family's journey with us.

Working in Partnership with You

The Key Person

When you join us, both you and your child will be allocated a Key Person. The Key Person is there to support your transition into nursery and to support your child's ongoing learning and development needs.

Learning Journeys

We use state-of-the-art digital Learning Journeys to record and extend your child's learning and development. Narrative observations are supported by images of your child engaging in a variety of activities each week. A fully secure system allows you access to these observations on any computer or tablet outside of the nursery. The Learning Journey allows you to monitor progress and add your own observations about your child at home. You will also receive daily feedback by staff when you collect your child.

Parent's Evenings and Training Sessions

Parent's evenings provide you with an opportunity to talk through your child's development. Annual training sessions on key topics such as first aid, behaviour management and school readiness allow us, or external trainers, to share knowledge with you on key areas.

Parent Partnership Meetings

We hold regular parent partnership meetings throughout the year. These meetings allow us to discuss key aspects of nursery life and provide invaluable feedback and suggestions. They are also a great way to meet other parents and contribute fully to the life of our nursery. If you are interested in joining our forum please speak to the Nursery manager.

Fully Inclusive Service

We provide a fully inclusive service to all families. Freshly prepared meals, formula milk, nappies and wipes, creams, suncream and all extra-curricular activities are included within our fees.

Our terms and conditions can be found at www.childbasepartnership.com/terms-and-conditions

Our key policies and procedures can be found at www.childbasepartnership.com/policies-and-procedures

Our Ethos *'We all contribute, we all benefit'*
